Advance-Nilfisk Parts - Imagine how tedious it will be to clean up your home after throwing a large party, with out aid from cleaning equipment. Back in the day, the time carpets and upholstery had the dirt beat out of them by hand; cleaning cloths, brushes and brooms were the state-of-the-art cleaning materials back then.

The man who established Nilfisk-Advance, P.A. Fisker, started out as an electrical engineer who liked to work on electrical motors. After establishing his business in the year 1906, he began to make motors to drive coffee grinders, fans, machine tools and drills. Mr. Fisker's vision from the beginning was to have an international business selling products globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a incredible, ground breaking vacuum cleaner that can be operated by one individual as it only weighed 17.5 kilos! This creation came in a time where other cleaning machines were very big and needed 4 or more operators, hence, the Nilfisk C1 changed everything and developed the manner we clean forever. The mastermind behind these very first cleaning machines remains unparalleled. Cleaning equipment offer an excellent solution to an ongoing crisis; stuff get filthy and must be cleaned regularly, without too much effort.

Slowly but steadily, Nilfisk-Advance grew through the years. In the 1980s, this development actually took place when the company became a part of the NKT Group. Their new owners' ambition and focus made Nilfisk-Advance take a huge leap ahead within the industry, aiming to be amongst the leading universal players in the market of professional cleaning machines. Nilfisk-Advance is currently found in every part of the world due to steadily acquiring lots of small businesses so as to grow their product range and presence in new markets. They are really proud to offer a range of cleaning solutions to meet each and every need.
